When you live with physical, mental or emotional challenges, your world is full of things you can’t do. That’s what makes the CHAMP Memorial Horse Show so special. Located right here in South Hero, the Champlain Adaptive Mounted Program (CHAMP), provides therapeutic horseback riding tailored to the abilities of these specially-challenged individuals. And, once a year, at the CHAMP Horse Show, these riders get to experience something they rarely do — competing and winning!

We invite you to be part of the team that makes this day a reality. Here’s how:
